

Metabolomics opportunities you don't want to miss

In this Issue:

The Best Promo Combo • MetaboNews Spotlight • MetwareBio Events

Promo on Metabolomics and Lipidomics

For a limited time from June 1-30, enjoy 20% discount on [TM Widely-targeted metabolomics](#) & [Quantitative Lipidomics](#) services.

20% OFF

June 1 – June 30

METABOLOMICS AND LIPIDOMICS

The most comprehensive duo promo have you covered!

QUANTITATIVE LIPIDOMICS over 4000 lipids

TM WIDELY-TARGETED METABOLOMICS over 280,000 metabolites

[Details](#)

MetwareBio in the Spotlight

MetwareBio's Widely-Targeted Metabolomics technology, which combines the benefits of Untargeted and Targeted Metabolomics and can detect thousands of metabolites in a single run, is featured in the [May issue of MetaboNews](#).

Let's meet at these events

JUNE

18-22

**Metabolomics
2023**

Niagara Falls, ON,
Canada

JULY

16-20

PSNA 2023

East Lansing, MI,
USA

JULY

22-26

ASP 2023

Rockville, MD, USA

JULY

25-27

**Industrial cultured
meat and seafood
summit**

Boston, MA, USA

**JUL 31-
AUG 4**

ASHS 2023

Orlando, FL, USA

Stop by and chat with our team members on-site about how you can apply metabolomics to your next project.
